You may vote at the Town Hall before Election Day at a time arranged with the Clerk, but application for your ballot must be made no later than noon of the day before the election. A voter may apply for an absentee ballot and then vote over-the-counter during the same visit.

Applying to vote if you are absent from the state, in the armed services or a prisoner
Registered and unregistered residents of Massachusetts outside the state and residents
on active duty in the armed forces and merchant marine and their spouses or dependents,
and prisoners, may vote absentee. They may request an absentee ballot from the Town
where they legally reside (if outside the U.S., where they resided last before leaving). In
addition, a close relative may apply on their behalf in person at the Town Clerk's Office.

A parent of a registered voter who is a student at a Massachusetts college or university
may apply for an absentee ballot on the student's behalf to the Town Clerk where the
student is registered.

In all cases, unregistered voters must register in person when they return to the state,
since this does not establish permanent registration.

What if I am permanently physically disabled?

If you are permanently physically disabled and cannot cast your vote at the polling place,
you may file a letter from your physician with the Town Clerk, stating that you are
permanently unable to cast your vote at the polling place because of physical disability. A
completed application for an absentee ballot, for you to sign and return, must be mailed by
the Town Clerk to you at least 28 days before every primary and election.

NOTE: Voters who are admitted to a health care facility after noon of the fifth day before an
election may apply for an absentee ballot up until the polls close on the day of the election
(rather than noon the day before the election) and must designate a person to hand deliver
and return the absentee ballot.
